

BATHSENSE canvas play

Your Imagination, **Your Canvas**

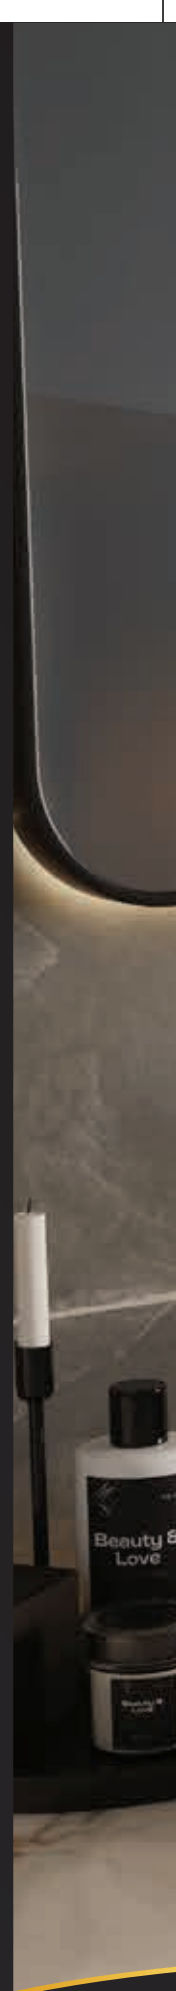

YOUR PLAYGROUND OF CREATIVE COMBINATIONS

Often, we find ourselves drawn to spaces that speak to us, spaces that feel both deeply personal and sublimely beautiful. What if you had the finest themes and the most exquisite colours in your hand, giving you the freedom to design your own masterpiece?

Presenting Canvas Play - your playground of creativity.

Here, each Bathsense fitting becomes a part of your palette, inviting you to mix quality finishes that intrigue, match styles that delight, and create a bath space that's uniquely, magnificently yours.

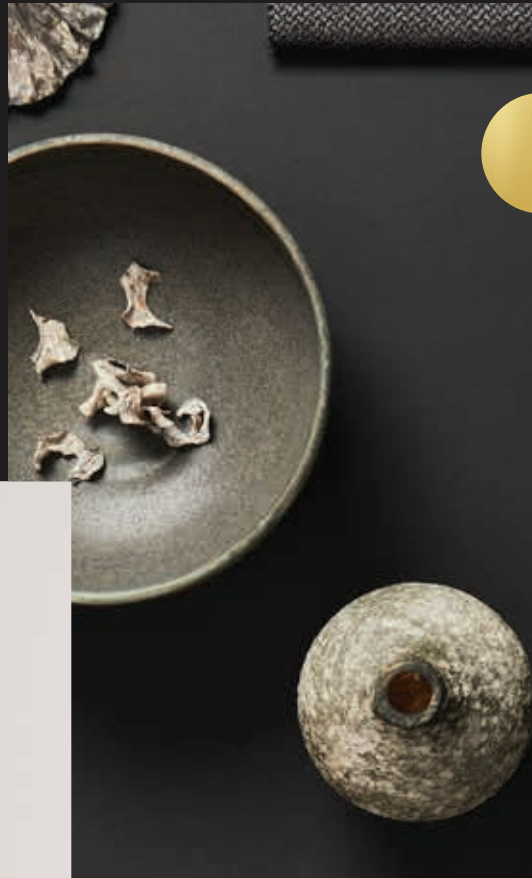

Mix-and-match your design journey

Design is at its pinnacle when it's an expression of your essence, shaped by the unique choices you make. Why should your bath aesthetics be any different?

Mix-and-match colours, textures,
and finishes to create inspiring
themes that tell your story.

CUSTOMISE. COMBINE. CREATE.

Design Without Limits

Personalise your space with a seamless mix of over 200+ premium finishes, textures, and colours, crafted for individual expression.

Unmatched Surface Protection

Advanced coatings repel water resisting spots with our Lotus 25 and PVD+ technology ensuring a pristine look for years.

Precision Crafted for Performance

Built with high-grade brass and next-gen coatings for superior durability, smooth operation, and lasting elegance.

Trusted Quality, 12-Year Warranty

Designed for reliability and backed by a 12-year warranty, for performance you can count on.

Opulent Blush (Rose Gold & Black)

A fusion of warmth and depth, Opulent Blush balances the boldness of black with the soft radiance of rose gold. This combination exudes modern sophistication, perfect for those who seek elegance with an edge - graceful yet commanding, refined yet daring.

Midnight Allure (French Gold & Black)

A striking interplay of shadow and brilliance, Midnight Allure embodies power and prestige. The deep black base grounds the design in strength, while gold accents add a regal touch, creating a statement of confidence, luxury, and timeless appeal.

Celestial Silver (Chrome & Black)

Sleek and futuristic, Celestial Silver merges the intensity of black with the cool shimmer of chrome. This high-contrast duo is for those who appreciate precision and modernity - bold yet balanced, minimal yet impactful, reflecting a vision of contemporary refinement.

Begin your design exploration

Crafting your perfect space begins with pieces that understand and speak your design language. Explore Bathsense's thoughtfully curated collection, where every fitting is an expression of elegance.

1. The warranty period is not renewed or extended on supply of spare parts during the warranty. The Company will, at its sole discretion, repair or replace any defective component or part of product with or without cost.
2. The warranty shall commence on the date when the consumer telephonically lodges his warranty with the Company by contacting 1800-266-2079 or visiting the website bathsense.asianpaints.com and furnishing all the purchase and personal details requested by the Company ("the Commencement Date"), within 15 days of purchase.
3. The Company or its Authorized Service Franchisee solely can service/repair the product.
4. The warranty becomes null and void if installation is not done by a qualified and experienced technician and/or as per the installation procedure laid down by the Company.
5. Hoses, rubber parts, plastic parts and consumables are not included in warranty. In case of defects on such products arising prior to installation, the company will decide on repair/replacement after inspection.
6. This warranty is only effective if proof of purchase (original sales receipt) is provided with all warranty claims or requests.
7. Warranty will cover only manufacturing defects of the product and will not cover any defects arising out of the control of the Company, like insufficient water pressure, high water impurities/hardness, breakage of parts due to excessive force etc. In no event shall the liability of the Company exceed the purchase price of the product. Improper care and cleaning will void the warranty.
8. For optimum bathing experience, maintain a minimum water pressure of 1 bar (10 psi) and maximum of 5 bar (50 psi). In case of lower/higher pressure, use of external pressure pumps or pressure reduction valves respectively is recommended.
9. Do not use cleaners/detergent agents which contain chemicals/bleach/acid etc. Most of the toilet cleaning products have high acidic content, which may damage the product surface/finish.

Maintenance, Installation & Service Guidelines:

1. The protective coating prevents the accumulation of water droplets, makes the product easy to clean and eliminates the need for abrasive cleaners.
2. Clean the surface using only a soft sponge. Cleaning pads labeled as "Safe for non-stick products" are recommended.
3. DO NOT use abrasives/scrubs/coarse cloth/scouring agents to clean. Use of the same can damage the coating and will make the warranty void.
4. DO NOT use bleach/acids/toilet cleaning agents on the product. Use of the same can result in fading of the colour and will make the warranty void.
5. Warranty is valid under normal. operating conditions of water quality with below limiting values:
TDS \leq 800 mg/L , Hardness \leq 375 mg/L.
6. It is recommended to wipe the product dry using a soft cloth immediately after cleaning with water, to maintain the colour.
7. The handle can be opened using the allen key provided with the product; DO NOT use sharp tools like a spanner or hammer on the colour coated surfaces of the product.
8. Installation to be done by a professional as per above instructions. Dismantling and service of the product post-installation should be done.
