OUR INSPIRATION

Ethnic

A Fusion of Tradition and Modernity.

This theme embodies the cultural heritage and artistic traditions of civilizations across time, blending historical motifs like Indian block prints and architectural elements with modern manufacturing techniques. Johnson masterfully captures this rich tapestry of storytelling and cultural expression.

Marble

Earth's Art. Perfected.

Born from the heart of the earth. Forged in time. Johnson captures the raw, untamed elegance of marble: its bold veins, its whispered textures, its unapologetic luxury. Each tile tells a story of strength and sophistication. More than a surface – it's an inspiration where nature's chaos meets refinement.

Stone

Ancient. Unbroken. Unyielding.

Nature's strength, captured in tile. Johnson channels the raw soul of stone: its weathered textures, its silent endurance, its timeless presence. It's a foundation. Grounded in elegance. Built for permanence.

Abstract

Where Emotion Becomes Form.

Unbound by shape. Unleashed by feeling. Johnson captures the raw energy of imagination where colours dance, lines defy, and meaning runs deep. The design is free, bold, interpretive and emotionally charged. More than pattern, it's poetry for your walls.

Floral

Nature's Poetry in Ceramic.

Petals frozen in time. Blooms that never fade. Johnson captures the fleeting beauty of nature, the delicate curve of a leaf, the vibrant burst of a blossom, the whisper of seasons changing. This is more than a design – it's emotion, artistry, and life preserved.

Geometric

Where Order Meets Art.

Lines that speak. Shapes that command. Johnson harnesses the hidden logic of the universe, the sacred symmetry of nature, the pure mathematics of beauty. This is design with intention: sharp, structured, and serenely powerful.

FINISHES

Matt
The Quiet Statement.

No glare. No noise. Just pure, uninterrupted elegance. Johnson's matt finish brings depth, sophistication, and a touch of timeless luxury to your space without saying a word. It's not just a surface. It's a mood. Understated, rich, and effortlessly refined.

Matt Lustre
Where Silence Meets Light.

Johnson's matt lustre finish defies the ordinary. It's not flat. It's not loud. It's a whisper of light, a soft, diffused glow that brings depth and soul to understated elegance. This is the finish for those who seek beauty that feels as refined as it looks. The subtle sheen catches the light, but doesn't shout.

Matt Elevation
The Illusion of Stone. The Soul of Simplicity.

Johnson's matt elevation captures the raw, textured soul of natural cladding, every groove, every grain and every whisper of time. It's elevation, redefined. Authentic depth meets modern ease. No chaos, no compromise just the untamed beauty of stone, tamed for your space.

Glossy
The Unapologetic Shine.

Dazzling. Defiant. Effortlessly sleek. This is more than a finish it's a statement. Light doesn't just reflect, it dances. And when life leaves its mark, a single wipe erases all. Beauty, uninterrupted.

JOHNSON WALL TILE FIXING INSTRUCTIONS

- Plaster the surface to be tiled with a good finish and complete the rendering and curing at least two weeks prior to tiling. **DO NOT FIX TILES ON FRESH SURFACE.**
- Before fixing the tiles, lay them out in the desired pattern and make sure that they give an acceptable blend of shade, colour and design. Also make sure that the tiles are acceptable to your satisfaction. Please note that certain amount of shade & size variation is inherent in all ceramic products.
- The company bears no responsibility towards the tiles exposed to outside process like transfers, printing, firing etc.
- For fixing these tiles, we recommend using an appropriate product from the range of tile fixing adhesives from the ARDEX ENDURA (INDIA) PVT. LTD. Please follow the adhesive manufacturer's recommendations and instructions for best results.
- For fixing these tiles using sand and cement, follow the instruction given below:
 - Use cement and sand mortar in the ratio of 1 : 3. Add some water to create a consistent paste. **DO NOT USE NEAT CEMENT FOR FIXING TILES.**
 - Once the mixing has been completed, do not add more water and use the mixture within one hour.
 - Soak the tiles in clean water at least 30 minutes before fixing.
 - Remove the tiles from the water and allow them to drain to ensure that there is no film of water on the tile surface.
 - Apply a 15-20 mm layer of bedding material evenly over an area of 1 square meter at a time on the surface of the area. Apply a fine slurry to the back of the tile to ensure proper and full bedding. Press gently for even adherence at the back of the tile.
DO NOT USE AN IRON HAMMER OR SOME HEAVY MATERIAL TO PRESS THE TILE.
- Mark and lay out the tiles from the center of the area to be laid so that cut tiles, if any, will be on the outer edges towards walls.
- The nominal/work size of the tile is as printed on the carton. It is advisable to maintain a gap of 1mm to 2mm between two tiles to allow for possible expansion as per ISO tolerance norms.
- Wait for 24 hours after fixing the tiles. After this period, fill the joints with cementitious or epoxy grouts from ARDEX ENDURA (INDIA) PVT. LTD.
- Fifteen minutes after the grouting process, wipe off the excess grout with a damp sponge and polish the tiles with a soft, dry cloth.
- Please note that wall tiles are specially manufactured for use on the wall only.
DO NOT FIX WALL TILES ON THE FLOOR.
- For cleaning tiles, use a moist cloth or sponge with water or diluted soap solution. You can also use tile & stone cleaners from ARDEX ENDURA (INDIA) PVT. LTD. **DO NOT SCRUB OR SCRATCH.**
- DO NOT USE ACID / ALKALI / SOLVENT / OILS / CLEANING POWDERS ETC. FOR CLEANING TILES.**
- Please note: The company does not accept any liability in case of problems arising out of non-adherence to these tile fixing instructions.
- THE COMPANY WILL BEAR NO RESPONSIBILITY AFTER THE TILES ARE FIXED.**
NOTHING IN THESE INSTRUCTIONS IS A SUBSTITUTE FOR GOOD WORKMANSHIP AND SUPERVISION.
